

DDR-52-62

MEMORANDUM FOR: Legislative Counsel

SUBJECT : Proposed Response to Representative
Morris' Letter on Ball Lightning

1. Attached herewith is a proposed response for the Director's signature to Representative Morris' letter on ball lightning. This draft was prepared in OSI, and I concur in it.

2. Although the attached draft is technically unclassified, I think it would be desirable to indicate to Representative Morris that the data and opinions contained therein are for his information only.
